Internship Agreement: Interns receive 3 hours of course credit for completing 120 hours of work experience. In order to earn credit, the intern must have real-world experience that is related to their Political Science major/minor. The student's internship experience is designed to teach them about jobs within the discipline, routine works such as copying and answering the phones should not exceed 50% of their work. An intern is not an agent or employee of either Arkansas State University or of the company/organization participating in the Internship program. The intern will maintain appropriate health insurance and automobile insurance coverage during the internship.

I agree to abide by the terms of internship agreement set out above:
